

Do you wish to offer discounts to Chamber Members?

★ When you joined the Chamber, and approximately 1 month after you renew your membership, you will receive a card that looks like this. ***Sign it, duplicate for your employees, and carry it with you.*** (You do not have to offer a discount to other businesses to redeem discounts offered by other Chamber members, but why not? The M2M (Member to Member) Discount program is one more way to make the most of your Chamber membership.) You will be listed as a participant monthly in Business Today, as well as on the Chamber’s website. You will also get a poster to display in your storefront, if you wish. Due to the size of this program, we are unable to accept offers which expire.

Do you wish to participate in the Member to Member Discount Program?
